Enterprise

Call any Enterprise location in Atlantic Canada (see below) and ask for the **Sport Nova Scotia** rate.

All sport teams are entitled to the following:

- **Guaranteed Availability Year-Round:** Regardless of the season, your staff will always have access to a vehicle. However, passenger vans can be in high demand during large tournaments and this can be limiting.
- **Guaranteed Rates throughout Atlantic Canada:** This will provide you with large immediate savings in dollars spent on rental vehicles. It will also guarantee that you receive your established price in all towns with an Enterprise location.
- **Free Unlimited Kilometers in the Maritimes:** This gives your staff the freedom to travel at no additional cost to them. To a maximum of 4000 per month. (Unlimited kilometers apply for sport NS use only). 200 kilometers per day when traveling in Newfoundland or outside the Maritimes.
- **Enterprise offers a wide variety of late model vehicles including:** Nissan, Mazda, Chevrolet, Pontiac, Toyota, Ford, Hyundai, and Chrysler products. This enables us to put your staff in a vehicle similar to their own.
- **Rental Age Starting at 21:** This enables you to be able to provide your younger staff with transportation.
- **Drop Charge:** \$50.00 drop fee within the Maritimes. (Sport NS use only)
- **Airport Rates:** When needing a rental at our Halifax Airport location, you will receive Sport Nova Scotia rates.
- **Rates throughout Canada and the United States:** With the new agreement, Sport Nova Scotia will receive great discounted rates throughout North America. When traveling at our airports, you will receive a discount off our regular rates and when renting at a home-town location, you will receive the local corporate rate.
- **Quick Start Service:** At Enterprise, picking up your vehicle the night before for an early morning departure couldn't be easier. Just ask the renting location for a "quick start service" and you will be able to pick up your vehicle(s) the night before after 5:00 pm for only \$9.99 and we will start regular charges the next morning at 8:00 am. At Enterprise Rent-A-Car, renting couldn't be any easier!
